### 1. *Cleansing Gel Foaming*

This foaming facial cleanser gently removes impurities from your Skin without over-drying or leaving any residue behind. It cleanses and clarifies the skin while maintaining your skin's natural moisture balance, leaving skin refreshed and healthy.

### 3. *Day Cream*

LV Laboratories is proud to introduce Day Cream Renovation by Placenta, enriched with nutrients to rejuvenate and nourish the skin while soothing fine lines and wrinkles, as well as providing a fresh feeling on the skin.

### 5. *Extra Night Cream*

Extra peeling, an effective and excellent formulation of fresh fruit, natural pear and vitamin C to exfoliate the rough and dead surface of the skin to reveal a smooth and soft complexion. The result after the application of LV=extra peeling night cream is suggested to be a dramatic discoloration of age spots and freckles, the elimination of existing wrinkles and fine lines, and a natural glowing radiance of the skin.

### 7. *Redness Reducer*

This Redness reducer is specially formulated to give the skin moisture and soothes while calming down redness.

### *Special instant Eye Gel Lifting without Wrinkle Eyes*

#### 9. *Eye Gel*

The skin around the eye is thin, delicate, and sensitive to wrinkles and external aggressions. Eye Gel is formulated with the best natural ingredients to treat those conditions.

This eye essence by Louis Victoria has a special regenerating and restructuring action that combats puffiness.

Eye Gel treats pouches and dark circles around the eyes, reduces wrinkles caused by dehydration, erases the signs of tiredness, while stimulating a smoothening and moisturizing effect at the same time.

### 2. *Deep Toner*

Unlike other toners bringing the skin to normal pH level, Deep Toner is effective in lowering the skin's pH slightly below its normal level, thereby allowing maximum absorption of the next products in the system following the application of Deep Toner. Moreover, Deep Toner's unique properties do not harshly dry out the skin, instead leaving the skin toned and refreshed.

### 4. *UV Perfect SPF38 Sun Block*

An all-in one sun protection combining anti-aging, whitening, and UV defense properties come in a shimmering pink to accentuate the natural glow of the skin for a more radiant finish.

### 6. *Herbal Acne Cream*

Whitening, acne, freckles, black spots aging pock mark, sun protection.

### 8. *Gel Base Night Cream*

Innovative science turns to nature for new inspirations. LV gel base by Placenta is an all botanical and hypoallergenic base in combination with essential extract that harnesses the power to induce collagen elastic cell rejuvenation, treating wrinkles. Gel Base Night Cream also contains Tamera diffuse leaf extract that reduces sensitivity and lightens skin tone.
